

Hello & Welcome

bos. Restaurant & bar was established through our passion for good food set in a relaxed environment. We added our love for hosting people into the mix and in November 2019 our dream became a reality.

After contemplating a name that would sound inviting as well as encompass our core values we came across the Afrikaans spelling of the word "bush".

The idea is to create a unique experience unparalleled by any other in the Lowveld.

Sit back and relax with a jam-jar next to our swimming pool, enjoy a cold beer at our Kudu pool bar, watch the latest sporting match in our air-conditioned bar area or share a pizza on the deck while the kids splash away in the pool.

If you are seated at our Kudu Pool bar area, you are more than welcome to connect to our bos. **JBL** speaker should you want to listen to music. Kindly ask a member of our team to assist.

Please also note that we do have mattresses and fleece blankets available should your little one be tired.

We continuously strive for customer satisfaction, upholding professionalism at all times while creating a fun space with good food for the whole family.

Should you have any suggestions please feel free to speak to our managers: Miga or Wayne and let's see how we can make your day.

We have a very relaxed approach to life and want you to leave bos. Restaurant & bar in good spirit after escaping reality in our relaxed surroundings. bos. Restaurant & Bar is managed and owned by family orientated, passionate individuals who care for our community.

We trust you will enjoy your visit as much as we enjoy hosting you.
