RESTAURANT & BAR

Our Story.

Welcome to **bos . Restaurant & Bar.**

Our restaurant was established through our passion for good food set in a relaxed environment. We added our love for hosting people into the mix and in 2019 our dream became a reality.

After contemplating a name that would sound inviting as well as encompass our core values we came across the Afrikaans spelling of the word "bush".

The idea is to create a unique experience unlike any other in the Lowveld.

At **bos.** we strive for customer satisfaction upholding professionalism at all times. We also believe in having fun.

Our staff are encouraged to be authentic while enjoying serving our valued customers. We are a diverse group of people and thus we encourage you to speak to any of our staff members should you not be satisfied.

We want you to leave **bos.** in good spirit after escaping reality in our relaxed surroundings.

bos. Restaurant & Bar is managed and owned by family orientated, passionate individuals who care for their community and believe in creating a great experience.

We trust you will enjoy your visit as much as we enjoy hosting you.

Have fun and **#GaanBOS!**
